# WORKING WITH WOOD?

Chances are the last place you want to be is chained to a desk searching for pro tips. That's why Real Cedar's going mobile!

[www.RealCedar.mobi](http://www.RealCedar.mobi)

is a digital how-to handbook for builders on the go and the retail reps who serve them. Visit our mobile friendly site for fast facts on designing, specifying, finishing, fastening and more.

Wherever your project takes you, [RealCedar.mobi](http://www.RealCedar.mobi) is there to help.
